CHAIRMAN CITY IMPROVEMENT TRUST BOARD

To

The General Secretary,
to the Government of His Highness the Maharaja of
Mysore

Sir

I have the honor to forward herewith a copy of letter N 15 dated the 7th September 1932 from Mr A Sathar Sait, President, Muslim Orphanage, Mysore, in the matter of alignment of road in front of the old Sowar Line Mosque and to state that the matter was placed before the Board at their meeting held on 26th October 1932 and their Resolution thereon is hereto appended for reference

2 Consequent on the closing up of the road between the Medical College and the Exhibition Building, from A to B as shown in the plan hereto appended, the opening of the road from Kochi Ghat street to the Mosque connecting the road behind the Exhibition building has become a necessity Mr Sathar Sait further states that if the triangular bit of land remaining between Sayaji Rao Road and the Orphanage after the alignment of the road, is added on to the Institution, he would convert it into a decent garden as per layout plan herewith enclosed

There is an Aswathakatte in the triangular bit of land tween the Storm water drain and the road, belonging to a private ividual An area of 30' X 45' has been reserved for the purpose

since the year 1898 If the whole area of land is to be added on to the Muslim orphanage, this area will have to be eliminated and suitably enclosed

The area of land to be added on now measures ~~440/2 x 230~~ 60055 sq. ft. On the previous occasion, an extent of 5972 2/9 square yards has been given free of charge for the Institution

I therefore request that you will be so good as to place the matter before Government and intimate to me their views regarding the alignment of the road as shown in red on the plan and the grant of land to the Muslim Orphanage and the reservation of the area for the Aswathakatte

I have the honor to be,

Sir,

Your most obedient servant,

Chairman
